PROPER BRITISH BREW

The UK has a long tradition of the great British brew but depending on where you live this can be done a very different way, our tea menu brings you all the favourites .

Twinings 20
With 300 years of expertise the original owner opened the first ever tea room in London on the Strand in1706, since then synonomus with the capital – this is the tea of the toffs! Our Twinings is served with milk or lemon on the side and a pinky in the air.

Tetley Tea 22
The Tetley tea folk were a TV sensation with their catchphrase 'put the chuffin kettle on' – we will do just that Sidney. Can you find the Tetley figures around Reform? Our Tetley tea is served strong.

Yorkshire Tea 22
Lets have a proper brew! The home of the 'mug a char' Yorkshire people love their tea and hold it dear to their hearts…. It is said in those parts everything can be solved with a cup of tea, even wars. Our Yorkshire Tea is served proper, milk in the mug before the tea.

PG Tips 22
Providing the "nations favourite tea"…. Who are we to argue with the monkey, try for yourself and decide. Our PG Tips is served in the pot so the pyramid tea bag has time to infuse properly.

DON'T MESS WITH MY TEA

We have created a selection of iced teas that perfectly match the regions famous heritage.
